

WELCOME TO LIAM MAGUIRE'S

We are pleased you have joined us today.

Under the guidance of our award winning Red Seal Chef, Ken Skidmore, we continue our goal of providing you with a menu comprised of recipes prepared "in house" and with fresh ingredients.

You will always be the judge as to whether we are on the right track. Please help us to continuously improve by providing feedback to your server or management. If you prefer, please email your comments to liammaguire@rogers.com. We treat all feedback very seriously. As an independent restaurant, we have the luxury of being able to quickly respond to your needs and feedback. After all, you're the reason we continue to grow.

We are well aware that you have choices. Thank you for making Liam's your choice today and we hope to see you soon.

Yours very truly,
